

OTHERSIDE AI

The next step in communication.

28% of the average work day is spent emailing

2.6 hours daily

Average time spent answering emails.

120 messages daily

Average # received emails.

Businesses lose an average of \$11,000 per employee every year due to slow and ineffective communication.

What if we increase the speed of composition?

Write faster with Otherside

- Short message summaries are instantly turned into full, well-written emails
- Decreases time spent writing emails
- Plugs directly into Gmail, with support for other web-based clients in pipeline
